## United Way of Greater Atlanta Free Tax Assistance

United Way of Greater Atlanta provides free tax preparation services to the community through a partnership with the Internal Revenue Service (IRS). This year, filing your taxes is more important than ever. The Earned Income Tax Credit (EITC) is a tax credit for low and moderate-income wage earners. For the 2021 tax year, the earned income credit ranges from \$543 to \$6,728 depending on tax-filing status and number of children. This year, due to CDC guidelines for COVID-19, VITA is serving Greater Atlanta with free virtual tax prep opportunities as well as free limited in-person tax prep, by appointment only. You can also do it yourself with help from an IRS-Certified Volunteer. **The tax deadline has been extended to Monday, May 17, 2021.**
